SPACIOUS TRUNK 1960L

Rear Cross Traffic (RCTB): When reversing, the rear-angle millimeter-wave radar, monitors other road users approaching the rear of the vehicle in real time issuing a warning sound and then applying the brakes in the event of a possible collision.

Blind Spot Detection (BSD): Our Blind Spot Detection will alert you when a vehicle is approaching quickly in the blind spot of the outside rear view mirrors.

Intelligent Cruise Control (ICC): Our Intelligent Cruise Control System helps you automatically follow the path and pace of the car in front at speeds below 60 km/h.

THE BEAUTY OF SIMPLICITY THE CHARM OF TECHNOLOGY

EXTERIOR

The **BYD ATTO 8** combines sleek, sculpted lines with a bold, modern design, offering a perfect blend of elegance and performance.

21" SPORTY WHEELS

The 21 inch multi spoke sporty wheels enhance the **ATTO 8's** dynamic presence, combining striking design with exceptional performance for a truly commanding on-road look.

360 CAMERAS & 3D LUCKY KNOT TAILLIGHT

The **BYD ATTO 8's** 360° cameras provide a complete view, seamlessly integrating with the iconic 3D Lucky Knot taillights, sculpted with precision for a truly distinctive design.

ELEGANT DESIGN

The flush door design seamlessly integrates with the body, blending aesthetic elegance with functional innovation.
