

SEALION 5

BYD

The **BYD SEALION 5** is a stylish and super hybrid SUV, designed for those who seek a balance of performance, comfort, and innovation. With cutting-edge technology and sleek design, it's the perfect choice for modern drivers who value sustainability without compromising on style.

12.8" Centered Screen

WIRELESS CHARGER

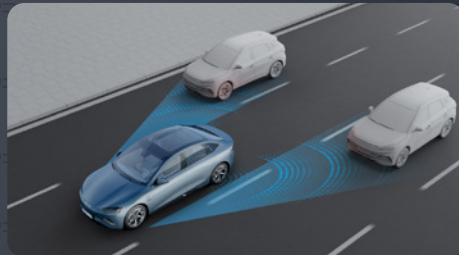

8.8" LHD Dashboard

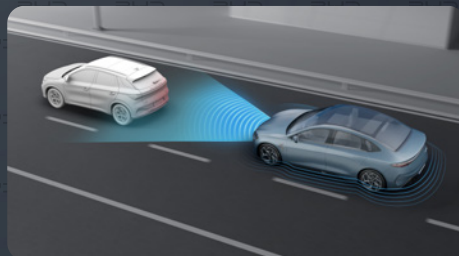

18" Alloy wheels

Rear Cross Traffic (RCTB): When reversing, the rear-angle millimeter-wave radar, monitors other road users approaching the rear of the vehicle in real time issuing a warning sound and then applying the brakes in the event of a possible collision.

Blind Spot Detection (BSD): Our Blind Spot Detection will alert you when a vehicle is approaching quickly in the blind spot of the outside rear view mirrors.

Intelligent Cruise Control (ICC): Our Intelligent Cruise Control System helps you automatically follow the path and pace of the car in front at speeds below 60 km/h.

THE POWER OF VALUE THE FUTURE OF DRIVING

EXTERIOR

The **BYD SEALION** blends dynamic design with powerful performance, creating an SUV that commands attention on every road.

18" MONOCHROME ALUMINUM
